

YOU BE THE JUDGE

American Eagle's XP Technology™ is remarkable. These instruments are high performance products, which can be used repeatedly – over and over – without sharpening. These XP™ tips are much harder than stainless steel tips, guaranteed! The resulting hardness allows us to place a much sharper edge onto a thinner blade. Try them for 30 days... and YOU BE THE JUDGE. If you don't agree that XP is the sharpest around, simply return your purchase for a full credit or replacement. It's that simple.

Satisfaction guaranteed, from a company that delivers Better Dentistry By Design™.
