# More Masterpieces Daily.

Everyday we are working with leading clinicians to elevate the art of dentistry. From prep to polish, we support your artistic creations with instruments created for your hands. We are dedicated to engineering instruments that deliver efficiencies, such as **Great White**<sup>™</sup> carbides and **Piranha**<sup>®</sup> **Diamonds** to single-step **Jazz**<sup>®</sup> **Polishers**, that mean less chair time for patients and more time for you. Efficiency that is moving more and more smiles everyday.

*"I have yet to experience anything that cuts as fast, accurate and smooth as a Great White<sup>™</sup> bur, saving my practice time and money while reducing stress."*  
 - Howard S. Glazer, DDS
